

FJL150-8A Automatic Finger Jointing Line

MODEL	FJL150-8A
Infeed speed	80-900m
Shaping thickness	14-150mm
Max. working width of shaper working table	590mm
Pressing thickness	20-80mm
Pressing width	30-150mm
Shaper spindle diameter	Ø50mm
Shaper spindle speed	6750rpm
Hogger spindle diameter	Ø30mm
Hogger spindle speed	2840rpm
Max. pressing length	6040mm
Max. thrust force	7500kg
Shaper spindle power	151kw x 2
Hogger power	4kw x 2
Total conveyer power for shaper	0.75kw x 3
Hydraulic system power for shaper	0.75kw x 2
Hydraulic system power for press	4kw
Saw blade power for press	4kw
Total conveyer power for press	1.5kw
Total power for belt conveyer	1.5kw
Total power for roller conveyer	2.25kw
Total power for chain conveyer	3.75kw
Total motor power	58.75kw
Working air pressure	6-8bar
Wind measure of dust collector	9000m ³ /h
Fixing dimensions	1800 x 6000mm
